

## Rental Assistance

1. Catholic Charities: 876-0490
  - a. Individuals and/or families that can ordinarily pay their monthly obligations, but are threatened with eviction from their home due to any one of the following circumstances can apply for financial assistance:
    - ✓ The number of hours worked have gone down due to company downsizing (must have occurred within the last two months assistance is sought);
    - ✓ Loss of employment and have been declared eligible to receive Unemployment Benefits, but those benefits have not yet arrived or are not enough to pay all household expenses;
    - ✓ There was no sick leave or workman's compensation available through the individual's job, and illness kept the individual from working for a few days or weeks and had no income coming in;
    - ✓ Repairs of any kind (such as electrician, plumber, car, appliance, etc.) took up the money that was to be used for rent;
    - ✓ Medical bills or excessive medication costs took up the money that would have been used for rent.
  - b. Catholic Charities does not take applications for rental assistance at their building. To apply for help, the individual or family should contact the church they attend or the Catholic Church nearest their home.
  - c. Items needed to fill out the application include: Proof of household income, proof of household expenses, SNAP and Child Support printouts, as well as any documentation that can show us why the rent is not able to be paid (such as proof of unemployment benefits, statement from employer stating dates of medical leave, receipts for payment of car repairs, electricians, plumbers, medication, etc.), any documentation that can show us why the rent is not able to be paid (such as proof of unemployment benefits, statement from employer stating dates of medical leave, receipts for payment of car repairs, electricians, plumbers, medication, etc.)
